

This one-day event provides **FREE** safety and health-related information to hundreds of participants from companies throughout Northwest Ohio.

Participants include company safety directors, human resource managers and business owners as well as workers interested in safety and health issues. The Safety Council of NW Ohio, OSHA and Ohio Bureau of Workers' Compensation all promote attendance to their members and clients along with hundreds of local businesses which makes for a large attendance draw.

There are presentations in areas of general industry, industrial hygiene, construction, health care, human resources, wellness, OSHA/BWC and general topics.

Additionally, there are sponsor and vendor booths promoting businesses and services and allowing for multiple spotlights of new and hot items of interest for attendees to see and touch.
